5/2/19

Rule Addendum 2019-1-SP

Effective Immediately

<u>All</u> Race and TT Classes

RE: Season Points

Only NASA competitors with a minimum of five (5) starts <u>in a class</u> will be eligible for a year-end trophy in that class.

Season Points payout to all starters per race as follows: 1st - 100, 2nd - 90, 3rd - 85, 4th - 80, 5th - 75, 6th - 70, 7th - 69, 8th - 68, 9th - 67, 10th - 66 ... and so on, subtracting one (1) point for each position after.

All Race & TT Groups

There are 15 points races for the 2019 NASA Utah Season Championships, This includes 2 points races per round. QuadDuro will only count as 1 race per day, with points being given based on final, combined results per day. The 15th point race is the NASA Championships.

NASA Utah will count the top 12 finishes for each series competitor or team towards their 2019 season championship for that class. The dropped race/s may be a zero point race resulting from a DNS/DNF. Competitors may not drop zero point event disqualifications as a result of "non-compliance" or "cheating."
